Dear Ms. Margolin:

We wrote to you on October 3, 1985 in regard to the Nek Chand Garden at the Capital Children's Museum. You had sent us a press packet, and we expressed interest in receiving more information for publication in our newsletter. At that time, we sent you a newsletter and a copy of In Celebration of Ourselves for Nek Chand.

We have not received a response from you, and so we ask again. We are going to press with the next newsletter soon, and wonder if you can send us one long shot of the Nek Chand Garden which would be suitable for reproduction. Please also include credits.

We would certainly be delighted if you could send other information, as we initially asked (site plans, clippings of other newspaper articles), but would be very appreciative if you could send at least one photo.

Thank you in advance for your help and time.

Sincerely,

Seymour Rosen
Director
