"An inspiration for the benefit of everybody."

Timothy Knatchbull

Une légère brise, un rayon de Lumière
et à travers l'immensité de la forme,
le souffle magique du génie apparaît
comme un Voutcan qui tranche net, parce
il n'y a plus de place pour le doute.

VICARI Jean, Pour Jeannet J.

Once again such a pleasure to just be
here in the Gardens. An added pleasure
is to perform here again

This was exactly the right place for such an
imaginative and beautiful piece of art in such
a square city. The response to architecture
is here in the creation by one man, alone.
I enjoyed it very much. Michèle Champenois

You have shown me a wonderland of curves and
sweeps in a desert of straight lines.
The curves and sweeps are your imagination
swooping, singing, laughing and creating
a celebration in my heart. I was a glad
visitor to your joyful world. It would be
an honour to bring my theatre into your
imagination. I stoop willingly through each
gate!

John Martin - theatre director

An oasis in a desert! Spectacular! TESSIE SINGH
