Dear Ms. Karasek:

Per our conversation of July 14, please find a copy of an article published in Women Artists News in their June 1986 issue. SPACES is extremely interested in the work of Helen Martins, and we want to do a feature story on her in our triannual newsletter. I appreciate any help you can give in uncovering more information and/or sources of information.

SPACES is interested in photographs, addresses for David Bristow, Robert Brooks and Anthony Fugard, physical description of the site, site plans or maps, newspaper articles. Any information would be appreciated.

Additionally, we would like a copy of the form which South Africa uses to nominate sites to cultural landmark status, and an inventory form. Filled nomination papers and inventory form for Martin's site, Owl House, would be invaluable.

I have enclosed some information about SPACES so that you can better understand the work we do. Again, thank you in advance for your time and attention. I look forward to hearing from you.

Sincerely,

Elaine Wintman
