Dear Ms. Collins-Nakles:

We have unfortunately had to postpone publication of an article about the life and work of Helen Martins until at least the next issue of our newsletter. This decision was based on the following:

1. We have not yet heard back from Athol Fugard.
2. We want to try to get an update on current preservation efforts.
3. We need to know the name of the photographer and the magazine source of the photographs you sent us, so that we may obtain permission to reproduce one and print appropriate credits. I appreciate the information that you have so kindly shared with us, and ask for your help in obtaining this additional information.

I look forward to hearing from you. There will be some mention of your aunt in an article called **Popular Culture** which includes Fugard's *The Road To Mecca*, and I will in any case send you the newsletter. Thanks again.

Sincerely,

Elaine Wintman
Assistant Director
