Dear Elaine

Your letter and proposal for an article on Helen Martins is of great interest to me. I must apologise for not writing sooner as I have been away on sabbatical. I have spoken to a photographer who has a good collection of photographs of the house and work and we will put together a collaborative article in the new year.

This is just to let you know that I would like to, and possibly can, supply you with material about Helen Martins. I would also be grateful if you could give me the address of Ms Collins-Nakles who referred me to you as I would love to talk to her about her great aunt.

I am sure we will be able to give you something worthwhile.

Yours sincerely
