Dear Mr Rosen,

Looking through my files
I saw your letter of Sept 25 with regard
to Helen Martins "Owl House" asking
for picture credits and whether you
could use my article (letter). I am
not sure whether I replied.

I will be delighted if
you can publish something. The
photographs were taken by Ian
Dufford IAN DUFFORD. Of interest
is that a steering committee has
been formed to set about protecting
& preserving the Owl House and
a strong response has been received
from the Business sector to
finance the scheme. We
have a National Monument.
