Dear Professor Brooks:

Thank you for your kind letter of March 18.

We would be very interested in publishing your article, and will try to publish it in our next newsletter. Prior to publication we will send you a copy of the newsletter for you to fact-check.

Attached please find a letter of support from SPACES which we hope will aid your efforts to preserve the Owl House.

We look forward to hearing from you. Please let us know if we can be of any assistance. I will be in France from the beginning of April to May. During the interim, you can contact Cynthia Pansing, should you need any questions answered.

Sincerely,

Seymour Rosen
