Dear Florence -

Thank you for sending the bank statement on to me. I am missing bank statements from 1ST Interstate for October and Washington Mutual for Sept, Oct. + Nov with canceled checks.

Would you please send along in the envelope enclosed any official correspondence addressed to the Friends. I need to close out our books.

They were very surprised to receive the letter you signed from the attorney. Bob Kaplan will respond for us.

It's clear Clayton + Sandy do not want assistance from the Friends of the Water Rock Garden. What is not clear is whether you still consider the individuals in our group friends of Florence Garden.

I would like an indication from you in writing letting me know by any and I am still welcome to visit the Garden. Sincerely, Nancy Garden
