This just arrived. It seems
"out of the way" public art
works are ^{sometimes} valuable in the
economic ~~development~~ life of an area
as well as its cultural life

11TH ANNUAL CONCRETE PARK CELEBRATION

The Friends of Fred Smith, Inc., will be holding the eleventh annual Concrete Park Celebration at Fred Smith's Wisconsin Concrete Park. The celebration will take place on Sunday August 10th from noon - 4:00 p.m., at the Wisconsin Concrete Park on the south edge of Phillips, Wisconsin. The afternoon's events will include entertainment for the entire family. A Larger than Life Puppet Parade will be presented by local children and members of the Friends of Fred Smith. Pinery Road, a regional favorite, will present an original "Concrete Park Production" that fuses music, narration and drama into a dynamic whole that adds a new dimension to the typical folk concert. Good-time old-time music will be presented by the Northernairs for your dancing and listening enjoyment. Guided tours and a historical slide
