Dear Mrs. Forestiere:

We hope you and your family are enjoying the holidays.

Currently, we are updating our files on Baldasare and the Underground Gardens, with the intent of compiling a biography/time line of him. As you and your husband are most knowledgeable about Baldasare's history, we hope you could help us verify dates, events, etc. on our current time line (copy enclosed) as well provide any significant events that we may have missed. ^{And,}

If there are any sources, both written and oral, that we may have neglected, please let us know.

In an earlier letter to us, you mentioned Les Jardins Souterrains de Fresno (1976) was published in Canada. Do you know the author's name by any chance? ^{PLEASE} Could you ^{PLEASE} send us a copy of the article

^{IF YOU HAVE IT AVAILABLE?}

Any assistance you could provide us during this busy time would be greatly appreciated.

Seymour sends his best.

Thank you. Happy Holidays to you and your family.

Sincerely,

Cynthia Pansing
