Dear Joanne,

I hope the enclosed xerox's of my photo's of the Herman Rusch site shot in June, 1973. will be useful to you. It seems I did shoot a few interiors in the Prairie Moon Museum

I've also enclosed a draft of the latest Roger Cardinal statement updating his definition of "Outsider Art" which might be helpful for your symposium.

If you are going to supply John Beardsley with a list of sites in Wisconsin, (Ruth always really shied away from this) I wonder if you could do the same for me?

Keep in touch.

Sincerely,

Seymour Rosen  
Director
