Dear Father Steffen:

Thank you for your nice letter. We were happy to send the article to you. It occurs to me now that I should have asked if the Dickeyville Grotto has any printed items about the Grotto for sale. One of our responsibilities is to collect, research, articles, postcards, etc. about environments such as Dickeyville Grotto. We have black & white photographs and some historical material in our files. If you have a booklet, or postcards we would love to add them to our Archive. Please let us know what the cost is. Thanks again for all you do to keep the Dickeyville Grotto open to the public.

Sincerely,

Seymour Rosen
Director
