

Lafayette - Friday 9 P.M.

Dear "Caretaker" -

Here I am - "baby-sitting" - (and wishing I were down having a spaghetti feed) - while my girl is at a show, and my boy at his poker club!!

I ran into a couple of cloud-bursts on the way up the coast - then it turned warm - it's now 90° - arrived here at 1:30, which wasn't bad time with all the road construction blocks.

The hot weather wasn't too good for poison oak, but thanks to the "ammonia" treatment prescribed by my favorite doctor - it is clearing up rapidly!

We are leaving for the Lake early Sunday morning - I have a feeling that it's going to be rather lonesome up there! It takes about 4 days for a letter to reach there from Cambria, as it's a rather isolated place. - I am wondering if I'll get a letter!! - or even one when I get back here on my return on the 18th.

Anyway, in case anyone wants my  
address:-

Mrs. H. . . . . E. (not Marks)

Kit Carson Lodge

Silver Lake

Amador County, Calif.

To T. L. Mazzer Cabin.

(You have the Lafayette address.)  
(And nobody reads my mail!)

I'm afraid I neglected to  
thank my host for the delicious  
spaghetti dinner, but I'm sure  
he knows I enjoyed it. Next  
time, I'll order chicken and  
dumplings! O.K. - Boss?

I'll write you later from  
the Lake -

As always

The Maid

P.S. "I hate you!"

If the P.O. employees wonder about  
this feminine stationery, well - either  
remark that I've got another chore for you  
or just let them wonder.
