Hi

Marion Blake

I've been calling what I thought
was your home phone for 2 months or so.
I told everybody you were a swinger
never home on the weekends and always
out at night.

Sorry for the delay in getting these
petitions to you. You will notice I redid
the form - having some thing dated limits
its use. Xerox the ones I sent you for
your records - you might send the dups
to the city so you can use the petitions
again, perhaps as an attachment on a
grant. We have been out of ~~the~~ T. shirts
so I will return that amount of money
to you. Hope you are well - keep up the good
