Dear Deborah,

I am interested in receiving public information concerning the nomination and processing of the Mystery Castle to the point when it became recognized by the City of Phoenix as a historic site.

The Mystery Castle falls into the same category as the Sunnyslope Rock Garden and therefore, this information would be valuable to me.

Also, I look forward to your response to my letter dated June 26th. I need the minutes to the June 8th meeting and a copy of the documents prepared for the commission prior to the meeting.

Sincerely,

Marion Blake
