Gentlemen,

Having just read
Jocelyn Gibbs' article in the current
Sculpture magazine, I am inspired
to send you a copy - however poor -
of an article I did some years back
on San Antonio yard art. Although
there are no environments as complete
as those mentioned in the article, San
Antonio does at least have a rich
tradition of smaller-scale examples.

Please put me on
your mailing list; I'd like to know
more about the organization.

Yours truly,
Ken Bechtol
