Dear Bud,

Thank you for the bound copies of your report, which arrived in time for consideration by The Orange Show's executive committee meeting.

The Board joins the staff and me in expressing appreciation for your consultation on this vital issue. We are honored to have the conservator of the Watts Towers advise us on the immediate and long term strategies for the Orange Show. We very much appreciate your willingness to work with us to meet the schedule mandated by our grant from the National Endowment for the Arts.

Our board has established a committee of historic preservation, conservation and community experts to determine an immediate and long-term conservation plan, and to help identify the funds necessary to implement the plan. Your report will be an important tool for this committee, and we thank you very much for your involvement.

I've forwarded your invoice to our accountant, and we'll be sending a check in the next few day.

Our best wishes to you and Arloa for a wonderful holiday season and new year.

Sincerely,

Susanne Theis
