Re: KEA'S ARK
242 CAMDEN STREET

Enclosed please find a copy of the letter from the property owner of the above illegal, unsafe structure; consenting to have the City demolish the same by April 15, 1987. Please be advised that this agreement was entered into with the full consent of the Mayor.

I have discussed this matter with Lynell Robinson, Manager, Demolition and Clearance; and he will schedule the project for demolition awaiting your direction.

Kindly take the appropriate action to authorize the demolition of the structure and advise Audrey Davidson, Assistant Corporation Counsel of the cost once it is secured.

The Department of Land Use Control has assumed the responsibility of relocating the person occupying the above referenced structure.

Thank you in advance for your cooperation and consideration.
