Dear Chuck and Janice,

You might not remember me, but we had a nice lunch together with Lynda Roscoe Hartigan in Washington some years ago. Your names came up in correspondence I had with her concerning some research we were doing in our efforts to document and bring honor to the environmental artists we deal with.

I just wanted to say hello and say I envy you--living in such a beautiful state. If you come across any wonderful environments, please let us know.

For your information there is a National Register site in Mountainaire (Route 14); it is "Pop" Schaffer's Rancho Bonito.

My best,

Seymour Rosen
Director
