Dear Mr. Greve:

Janet Peterson of the St. Ignace Chamber of Commerce gave us your address. We first heard of Ralph McCarry's Totem Village in a book called Rainbows in the Sky. It sounded wonderful and we wanted to learn more about it.

Is your store, the Indian Village, the same place as Ralph McCarry's Totem Village? Do you have any printed material, postcards or newspaper articles that describe your store? When did you buy the store? Is Mr. McCarry still alive? Will you keep the place pretty much as it was? Do you carve wood as well?

SPACES is an arts organization which gathers information about unique handmade projects and shares this information with others. We are currently finding out about projects in Michigan. Any information that you can give us would be most helpful. We have enclosed a self-addressed stamped envelope for your convenience.

Thank you very much for your time. We look forward to hearing from you.

Sincerely,

Seymour Rosen
