Dear Mr. Rosen,

As a collector of folk art,
with my husband, and as
a member of the Visual Arts
Panel of the Michigan Council
for the Arts, I read with
interest your article in
the fall '81 M.C.A. Newsletter.

There is an environment
near us which I have
long felt should be
documented before it disappears.
It is the home of Albert "Kid
Minty" in Baldwin, Michigan -

Enid Packard

and it is exactly of the
kind of site you are looking
for.

Marsha MacDowell and
Kent Sawhney of Michigan
State are aware of it -
but I don't know if
anything has been done
about it.

I would be glad to be
of help if I can.

Sincerely

Enid Packard
