Dear Ms. Moore,

Thank you for your recent letter to SPACES. We were especially happy to hear of Bud Oberholzer's SHRINE OF THE PINES.

You were not the first to bring this work to our attention and we are making steps to collect more data on it. If you know of any articles or photographs on the subject we would appreciate them for our reference files.

I am enclosing a copy of our recent newsletter and will add your name to our mailing list to keep you informed of SPACES activities.

Again, thank you for your interest and enthusiasm for SPACES and good luck with the Society for the Preservation of the SHRINE OF THE PINES. If we can be of assistance to you let us know.

Sincerely,
