Dear Sir:

A clipping from the Michigan Council for the Arts was sent to me with a suggestion that I get information from your group.

I am involved with a group of people in the Baldwin area concerned with preserving a piece of local art. The enclosed brochure will give you some idea of what we are about. Maybe when I know more about the thrust of your program we can exchange more detailed information.

Sincerely,

Mary E Moore  
Secretary  
Society for the Preservation  
of the Shrine of the Pines.
