Re: The Kaleva Historical Museum (Bottle House)  
Kaleva, Michigan

Dear Ms. Wintman:

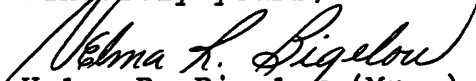

I am pleased to inform you that the John J. Makinen "Bottle House" nomination has been submitted to the Keeper of the National Register and we are waiting to hear if it will be accepted.

Needless to say, we are so very proud that it already is on the Michigan State Register, and the fact that it was given the highest level of significance possible by the Michigan Review Board made our endeavors doubly worthwhile.

I am sending copies of the letter of notification from Mr. Dick Harms, Michigan Bureau of History, along with a complete copy of the National Register of Historic places Nomination Form which was presented to the Keeper of the National Register.

I will be sure to notify you when we hear from the Keeper.

Sincerely yours,

Velma R. Bigelow (Mrs.) Secretary  
THE KALEVA HISTORICAL SOCIETY, INC.
