Dear ^{Alan}~~Allen~~,

I'm sorry it has been such a long time since we touched bases. Thanks for your support of our activities.

Enclosed is a newspaper story about the author Jack London which mentions his "Valley of the Moon." I thought you might like it for your archives.

We are developing our next newsletter and wondered if you would like to put in a notice about the hours you are open this summer. If so, send us the necessary information including attendance fees. Soon please.

If we can get more funds to produce a newsletter after this one we are thinking of a Arizona issue. We will let you know.

I hope this finds the "Valley of the Moon" and its dedicated protectors well and happy. If we can be of any help please let me know.

Seymour Rosen
Director
