MADONNA INN LOBBY

From this lobby, entrance is provided to the Gold Rush Room, Cocktail Bar, Coffee Shop, Garden Room and Gift Shop upstairs, and to the Wine Cellar and Banquet Room downstairs.

The leaded glass door and window panels were all custom designed and fabricated for the Madonna Inn. The gigantic rock fireplace was designed by the Owner . . . some of these rocks weigh as much as 15 tons . . . other rocks outside of the building weigh up to 209 tons each.

Enjoy a comfortable chat by the fireside, while waiting for others to join your party . . . champagne bar directly around the corner.
