Dear Seymour:

I enjoyed the opportunity of meeting you at the dedication of John Medica's gardens as a historical landmark and hope to see you again in the future.

It has just come to my attention that you were forwarded a billing dated May 15, 1987, for services rendered to John Medica. That billing was in error and should be disregarded by you.

I apologize for any inconvenience that this may have caused.

Very truly yours,

STEVEN C. NEUSTADTER
