Dear Mr. Fredericks;

It has been a month since you graciously had a meeting with Susan Richter, Executive Director of the Cultural Arts Council of Sonoma County and myself. At that time we reiterated John Medica's desire to insure public use of his property in perpetuity. You said you would act with dispatch.

I understand you have since visited Mr Medica and he again stated his wish that you prepare a document to that end.

Will you please give us a date when you will have completed a draft for John to act upon. We appreciate your concerns in this matter, but it has been over 2 years since the subject was first brought up.

Thank you for your time.

Sincerely,

Seymour Rosen  
Director
