Dear Duke and Francis:

We are working diligently on the exhibition in Santa Clara and need some help. Enclosed is a xerox of a proof sheet with some items I would like to borrow and exhibit. Please tell me if they are available. We would like to have some real objects to go with the photos. Those on the enclosed list --besides being great -- seem to be easily removable and transportable.

Also enclosed is a map of your place (which will eventually be redrawn). Please mark on the map the location of all your large sculptures (for example the cat and the jug. Could you get this to me in the next week or so?

THANKS!

My best:
