Dear John,

Meant to get this to you sooner:

Rick and Lorraine Forestiere
5021 W. Shaw Avenue
Fresno, CA 93705

(209) 439-7344

Rick is the nephew of Baldasare Forestiere, the man who created the Underground Gardens, and has been in touch with Seymour frequently.

Sent off a letter of appreciation to Earthtone for Maureen's article. Good job, we thought!
