Re: Forestiere Underground Gardens

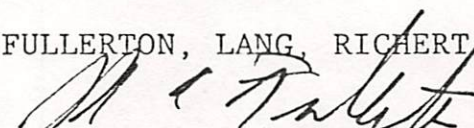

Dear Mr. Forestiere:

On August 14, 1979, I spoke to a representative of the National Trust. He informed me that he would talk further with you. He also stated that I would be contacted probably by the Washington office.

I talked to Mr. Todisco, ^{my brother's atty.} and he informs me that he will be filing suit in this matter. I am concerned that perhaps the lawsuit may adversely effect these steps to have this property nationally recognized. However, we will have to look at the lawsuit, and address its implications. I will stay in continuing touch with you in this matter.

Very truly yours,
