

Please, please do not be  
offended by corrections, they are  
for accuracy sake, not style  
of writing which is good.

Something gets in print &  
because we've never until  
the last couple of years, did  
any thing to correct literary  
license, other reading articles  
reprint or rephrase and

soon its taken as truth.

Thank you for your  
interest. Enclosed is  
a portrait of Forester to  
use with the story. I  
would appreciate its return  
when you are finished

Thank you again.

Sincerely,  
Lorraine Forester
