Dear Mr. Rose,

Rosalie Crane forwarded your name to me regarding your interest in the "Inglwood Charlie" site north of Andrade.

I in turn have sent your card to Patty Jones (17032 Westminissa Ave, L.A., Ca. 90034), who before her move to the coast, was coordinating efforts in June to preserve the site. She too has been in contact with the California authorities about the matter.

Your getting together will be undoubtedly mutually beneficial. Good Luck!

Sincerely,

Robert M. Jones  
Curator, Century Park Museum
