Mr. Arthur Beale,
827 Hyde Street,
San Francisco, 9, Calif.

Dear Sir:

I am in receipt of a report from the Officer in your Battalion District regarding the aid you rendered to the Fire Department at the recent greater alarm fire to which you responded.

Chief Sullivan has asked that I extend his sincere appreciation to you for your loyal cooperation, to which I would like to add my own and that of the entire personnel of the Department. You have been extremely helpful in lightening the burden of the men in the Fire Department during this period of manpower shortage.

I sincerely appreciate your spirit of devotion and once again thank you for your splendid assistance at this fire.

Sincerely yours,

George F. Schaefer,
Chief in Charge,
