Flat rate and minimum charges are payable in advance on the 1st of the month. Bills become delinquent on the 15th of the month. Failure to receive bills does not release consumer from his duty to ascertain the sum due and to pay same. If service is shut off for non-payment it will not be turned on until all sums due are paid in full plus a charge of \$1.00 for restoring service.

Inquire at Company office for complete regulations.
