Dear Art.

Just a few lines to let you know we did not forget you, and the very nice way you treated us, its not often in this day and age, One finds some one who is that nice, hope you are keeping well, and progressing with your stone work in good shape.

We may be up in a couple of weeks

and will have a few  
beers together,

Did you ever dig  
up our buried treasure<sup>2</sup>

I expect to find a chest  
of Spanish cloveblooms  
when I get up there

Well Oil timer  
keep well and happy  
your good friends
