Attention: REFUND SECTION

Reference is made to your Income Tax Return for the year 1943, upon which you have claimed a refund of overpayment of \$ 41.75 . Our preliminary examination reveals the following errors:

You failed to report income of \$426.30 with tax withheld \$62.92 received from your employers Chris's Place, 219 O'Farrell St. and Mark Hopkins Inc.

An error was made in the amount of \$223.81 you claimed as tax withheld by your employers. Your employers report the correct amount as \$286.73

The correction of these errors has resulted in ~~increasing~~ decreasing the amount claimed from \$ 41.75 to \$ 14.70 plus interest.

Your return has not been audited. If, as a result of a later intensive audit, it develops that additional information is necessary or that further corrections must be made, you will be duly advised.

A check for the above amount will be forwarded to you in the near future.

Very truly yours
HAROLD A. BERLINER, Collector
