CABLE ADDRESS "GANNATEX"

July 19, 1929.

Mr. Arthur H. Beal,
150 - 46th St.
New York City.

Dear Sir:

We wish to acknowledge receipt of your entry for the fourth Wrigley Marathon which will be conducted at the Canadian National Exhibition in two sections: a 10-mile World's championship for women on Friday, August 23rd, a 15-mile Open World's championship on Wednesday, August 28th.

Your entry has been provisionally accepted, and in due time will be finally accepted by the Committee in charge if you are successful in passing the medical inspection.

We are anxious to place the importance of this race before the public as much as possible, and as you are a likely competitor, we would appreciate your forwarding your photograph, in swimming costume if possible, and your swimming record.

If, since mailing your blank, you have for any reason decided not to enter, please advise us, but on the other hand, if you are still desirous of participating, please write us fully of your plans, as they will be of material help to us in completing our arrangements.

Wishing you every success during your training period, we are,

Yours very truly,

CANADIAN NATIONAL EXHIBITION ASSOCIATION

E. A. Hughes
Director, Wrigley Marathon.
