Dear Rudy,

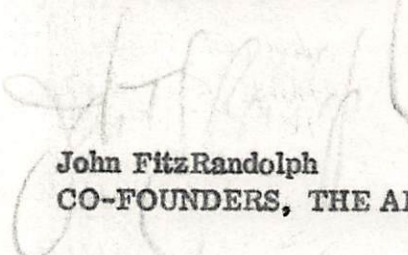

Your contribution of \$100.00 towards the preservation of Art Beal's unique NitWit Ridge is appreciated most emphatically.

You have done so much for so many people, and we are certainly grateful for your continuing concern about the marvelous castle of cast-offs that Art has created in Cambria Pines.

The contribution you made last week means that we now owe only \$800.00 towards a debt that once was over \$3,000.00! This is proof that there is steady and reliable support for NitWit Ridge -- and that people appreciate the hard work Art Beal put into his fantastic castle over a 50-year period.

Again, our hats are off to you, Rudy, for your generosity and your faith in our ability to raise interest and funds (through the Art Beal Foundation) for the ultimate preservation of NitWit Ridge.

In Friendship & Love,

John FitzRandolph
