Dear Claude & Ethel:

Thank you for your interest in Nitt Witt Ridge. Our current calendar of events is small: on Saturday, May 23 we are having a clean-up and gardening party at the Ridge. Many people from the county are coming to lend a hand. We'll begin at 10 a.m.

On August 6th, we'll be hosting a "Tornado of Talent" at the Cambria Vet's Hall. We plan to present a variety of talent from all areas of entertainment. Our goal is to raise funds for operating expenses and seed money to continue producing fund raisers. Our economic situation is very poor.

The Art Beal Foundation, a non-profit corp. has owned the Ridge since 1976. However, Art did not permit much on-site work while he resided there. Now that he is in a nursing home, he has given us permission to work on the property in order to restore it as much as possible to its original construction.

I was elected president of the Foundation in March of this year. I feel that with new Board members (Joseph is also on the Board) and lots of support from kindred spirits, we will be able to achieve our goals.

If you can help in any manner, it will be most welcome. Would you consider performing at the Tornado of Talent? We want to offer the community a great night of entertainment in return for their financial support. If you can contribute in any way, please contact me at (805) 927-4551 or my home address, 335 Cambridge St., Cambria, CA 93428.

Looking forward to hearing from you. Thank you..

Sincerely

Elizabeth Appel
