Dear Mr. Rosen:

The State Historical Resources Commission, sitting in regular session in Stockton on February 3, 1984, considered your application for allocation of a plaque for Landmark #939, 20th Century Folk Arts Environments (Thematic), Old Trappers Lodge, Sun Valley, Los Angeles County.

The Commission recommended allocation of a plaque. Unfortunately, all of our plaque monies have been allocated for the 1983/84 fiscal year. If you would like to plan a dedication for your landmark, it should be scheduled for sometime after July 1, 1984. Please let me know so that I may allocate a plaque from the 1984/85 fiscal year for your dedication.

Thank you very much for your continued interest in our State Landmark Program.

Sincerely,

Sandra J. Elder
Acting Executive Secretary
