Dear Dr Mellon;

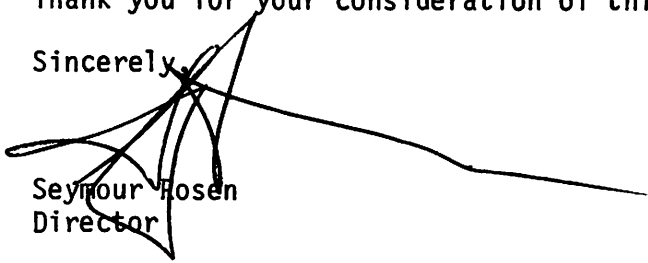

SPACES wishes to nominate John Ehn's "Old Trappers Lodge", California State Landmark #939 for an historic plaque.

Since John Ehn's death 2 years ago the site has attracted more interest in the arts community as well as media attention and a increase in people viewing the site.

The family has made a commitment to maintain and preserve the site and inform the public. The issuance of an historic plaque would benefit their efforts as well as honor the artist.

Thank you for your consideration of this nomination.

Sincerely,

Seymour Rosen
Director
