hi Lucy!

Many thanks for sending what you could find
on Glade... if anything else turns up, let me
know.

I'm enclosing

2 original 5x7
2 original 8x8
1 original contact sheet
2 8x8 x-roses } gelatin
silver
prints

All were photographed by Seymour Rosen
in 1975, and are © SPACES. These are all
triplicates from our files (except the x-roses),
so thought your historical society would be a
good home for them. They should only be
used for educational, non-commercial purposes.
Thanks again, Lucy! All best, id
