Hi Jo,

We're back...kinda...trying to swing 2010-11 in Istanbul. Hope Sam's exhibition was a big hit!

Just talked with Jeff Lindsay, he's an acquaintance and former owner of the Glade house. He's happy to talk with you and give you any information he can.

Another contact is Michael Monahan. Mike taught here years ago, he live across the street from Albert Glade and apparently used to visit with him all the time. He retired to Mexico years ago, but I'll have an email address for him in a few days.

Best,

Michael

Thanks, Michael! I definitely will pass it on!
Have fun over there, and hopefully we'll get to see you guys one of these days.

...and thanks again for any contacts about Glade's home!

All best,

jo
