Dear Ms. Landry:

About a month and a half ago, we talked on the phone about an artist named John Ehn and the possible donation of his works (California State Landmark #939), to a responsible arts organization.

I followed through with a packet of information including, newspaper articles, a map, and a book. Since that time I called your office at least 3 times, but as of this date I have had no response.

I realize how busy you are, but both the John Ehn's family and I would appreciate a response, and return of the material if it is no longer useful to you.

Thank you.

Sincerely,

Seymour Rosen
Director
