Dear Seymour,

We hope that all is very well with you. On Sunday, November 7, 2004, the Preserve Bottle Village Committee Board met to discuss the situation of our paper archives and photographs. At this meeting we viewed copies of the original Rothschild grant agreement, as developed by you in 1999. It stipulates that SPACES would duplicate the Preserve Bottle Village archive for the SPACES collection, and that Preserve Bottle Village would receive a copy of the resulting database for our website. At this time, five years later, we are ready to bring our archives back to Simi Valley, and we would like to please have all original materials returned today. The archive includes but is not limited to: our photographs and slides, Prisbrey's scrapbook, newspaper articles, property deeds, certificates of birth and/ or death past newsletters and bills. Also, please include with this a copy of the database, as it stands today, as per the original agreement. Francie is the contact person regarding our request, and she can be reached at (310) 454-6884, cell: (310) 702-8020.

Thank you, very much, for all of the efforts you have put forth for Grandma Prisbrey's Bottle Village. They are the foundation of her legacy, and a significant reason for the very existence of Bottle Village to this day.

Sincerely,

The Preserve Bottle Village Committee:
