MR. ARTHUR BEAL

I have rec'd your new songpoems and wish to say that "WE ARE SAILING IN JUST TEN DAYS" is too long and is being returned.

I shall be glad to write the melodies to your other five songs at same price and if satisfactory, you may send the melody fee for all five and I'll do them as quickly as possible for you.

I am sending agreements for
OUR LIPS REPEAT AN ANCIENT BLISS
OUR FLAG
THE MILKY WAY

in case you might want them copyrighted and arranged for Piano.

yours truly
