ARTHUR BEAL

Thank you for your letter with songs and deposit of \$9.  
leaving a balance of \$15. for Piano arrangements and Copyrights  
on all three songs.

If you want- you could have the songs proteted by NOTARY SEAL  
instead of copyright. NOTARY SEAL is taken out here and saves much  
time which explains why many writers prefer it. There will be no  
difference in cost. It's just a matter of choice.

If you think you'd prefer NOTARY SEAL on the songs, just let me  
know when you send balance.

On the other five songs you want melodies for- I wish to say  
you may send only \$9. whenever you're ready which will pay  
for four of them. The other will be done free of charge since  
you are having all your work done here.

I regret to say I have no marketing service as I have no time  
for same.

Would you like Ukelele arrangements added on to the songs- If you  
do, you may have them added ~~MMM~~ on for only \$4 for entire three  
songs. Will try and lower prices all I can in your case on all  
your future work .

Yours truly
