Re: D 75 - #6

Dear Mr. Beal:-

We received your entries with coupons #1-2-3-4, which is being acknowledged with our usual post card acknowledgment.

You included four dollars with your entries, when the amount should have been three dollars. As the Folio explains, you are permitted to submit one entry with no extra cost - using coupon #1. Therefore, we are crediting your account with one dollar, which we will refund if you so desire. If, however, you intend to submit another entry (using coupon #5), then you do not have to send the one dollar charge, as the credit you have on our books will cover this entry.

Trusting the above is explanatory, and with our best wishes for your success in this project, we remain

Sincerely yours,

SONG HIT GUILD, INC.
