Dear Mr Beal;

This is to acknowledge receipt of your four songs. We have thoroughly checked these numbers and " MY STAR OF LOVE " is by far the best. " OUR LIPS REPEAT AN ANCIENT BLISS is the next best.

We could not handle " THE MILKY WAY " or " OUR FLAG ". The last mentioned song is not in any way commercial for the title is being used by everyone. There are hundreds of songs with this title.

We are enclosing agents agreements to cover the handling of these two songs accepted at the special price of \$15.00. We are returning the other two songs.

Sincerely,

THE RECORD-O-SHERS
